

Instructions for Freshman Field Day

Saturday: 1:00–3:00 pm on Sever Quad (map on following page)

- **Balloon Stomp**
 - This first event is intended for up to 600 people
 - For those who wish to participate, we will hand you a balloon and a piece of ribbon
 - Blow up your balloon, tie it to your ankle
 - The object, of course, is to eliminate your opponents by popping their balloon while protecting your own
 - As more people are eliminated, the circle will constrict
 - The dorm with the most people left at the end of the event will win points
- **Necking the Orange Relay Race**
 - **For this you, as IM Rep, will need to organize a team of at least 10 (preferably 20) participants for your dorm**
 - The object is to pass the orange from neck to neck without using hands
 - The competition will proceed in four groups of four dorms, with each dorm entering one team
 - Round 1 Competitors: Apley/Mass Hall, Canaday, Grays, Greenough
 - Round 2 Competitions: Hollis, Holworthy, Hurlbut, and Lionel
 - Round 3 Competitions: Mower, Matthews, Pennypacker, Stoughton
 - Round 4 Competitions: Straus, Thayer, Weld, Wigglesworth
 - Each group winner will then face off against the others for the overall winner
- **Whipped Cream Bubble Gum Race**
 - **Again, as IM Rep, you should plan to recruit ONE participant for dorm**
 - There will be several tables set up in Sever Quad, arranged with 16 pie tins (one per the number of dorms)
 - At the start of the event, we'll place a piece of bubble gum in the tin, fill it with whipped cream
 - The object is to find the gum under the whipped cream – WITHOUT HANDS – and blow a bubble.
 - We will award points to the top 10 dorms
- **Water & Sponge Relay Race**
 - **As IM Rep, you again need to recruit a team of 10 participants, though 20 would be preferable**
 - Each of the 16 teams will be lined up on one side of Sever Quad with a small bucket and a sponge; on the other side will be four large vats of water
 - The object is to race across the Quad, fill your sponge, run back, and fill up your bucket. The first team to fill to the magic line wins
 - We will award points to the top finishing dorms
- **Tug-of-War**
 - In the final event we compete by Yards
 - Elm versus Ivy
 - Oak versus Crimson
 - Loser of Round 1 v. Loser of Round 2 for Third Place
 - Winner of Round 2 v. Winner of Round 2 for First and Second Place
 - For this event, we have an enormous rope, so can accommodate at least 50 people per YARD so drum up the support

Elm Yard: Grays, Matthews, and Weld

Ivy Yard: Apley/Mass Hall, Hollis, Holworthy, Lionel, Mower, Stoughton, Straus
